(I) IJOA (L) AND IJOA-R (G) EXTENDED TRIP CANCELLATION

Any and all costs incurred in the case of a trip cancellation are the sole responsibility of the students and parent(s)/legal guardian(s). All personnel planning activities or events are to make parent(s)/legal guardian(s) and students aware of this aspect of the policy prior to their deciding to place down payments.
- (2) In the event of the need to cancel the trip, the division would not be held liable. It is the responsibility of the administration and staff involved with the extended trip to inform parent(s)/legal guardian(s) that the signed Letter of Informed Consent absolves the division of liability for cancellation.
- (3) Trip cancellation insurance is mandatory for all out of school education excursions if the trip cost is greater than \$500.00, or the students are travelling by air, or the destination is outside of Manitoba (excluding northwestern Ontario). If cancellation insurance is not purchased through the school or trip provider, parents must provide evidence of coverage to the trip leader.
