

STUDENT AWARDS

(1) **School Awards**

- (a) Each school will develop its practice regarding student awards. When awards are to be given, each school shall arrange and administer its own student awards. Students and parents/guardians will be informed of the school award process at the beginning of each school year.
- (b) Community members may offer suitable awards to students in consultation with the principal.

(2) **Divisional Awards**

- (a) The board of trustees will develop procedures regarding divisional awards. Students and parents/guardians will be informed of the award process at the beginning of each school year.
